Day **2**

Coron Island Hopping Tour

Start your first full day in paradise with a complimentary breakfast at the resort restaurant.

When you're ready, our representative will pick you up from your hotel and take you to your destination. This is where your island-hopping tour begins, stunning limestone cliffs, blue-green lakes, coves, and lagoons. The area is protected as one of the country's marine reserves. You can enjoy attractions such as **Kayang Lake**, known as the cleanest lake in the Philippines, and **Barracuda Lake**, which offers a unique diving experience with its layers of cold, warm, and hot water.

The **Twin Lagoon**, **Balinsasayaw Reef**, and **Beach 91** are also popular attractions in Coron. **Twin Lagoon** is ideal for kayaking, and during low tide, an opening at the base of the cliff appears, enabling swimmers to cross to the other lagoon.

Twin Peak Coral Garden is a popular dive site near Coron Island. Surrounded by a beautiful reef, this site is home to vibrant corals and fish schools, making it a fantastic spot for snorkeling and diving. It is also located close to the Barracuda Lake entry, offering a fair opportunity to see one of the nearby tortoises.

The last island on this tour is **CYC Beach**. It has a low temperature, making it perfect for swimming and walking along the white sand.

Back at the hotel and overnight stay at **Two Season Coron Island Resort** in a Mountain Bungalow.

Breakfast, Lunch

Day 3-5 Coron

Spend your next few days in Coron relaxing and exploring the island on your own. You may check out these other attractions around the town.

Discover the **Calauit Safari Tour** at Busuanga's northwestmost point. There used to be gazelles there, but only zebras and 25 giraffes remain today. As stated by the tour guide, all the animals come from Kenya and are "100% Filipino Citizens." **Black Island**, commonly known as Malajon Island, makes up more of this excursion. The black limestone rocks that cover the area are the reason it has that name. **Busuanga Town Proper**, which has a beach, natural attractions, and marine reserves, is another stop that you can check, followed by **Ocam-ocam Beach**.

The **Coron Island Reef and Wreck Tour** is an additional trip that you might want to take. Visit the **Lusong Gunboat**, which was rendered obsolete by countless machine gun shots, the **Lusong Coral Reef** to see several corals in various forms and colors, and the **East Tanggat Wreck**, which was thought to be either a tugboat or an anti-submarine ship. You can stop at **Pass Island**, where you may find the whitest, sandiest, and most tropical island.

The **Coron Town Tour** showcases more of what Coron has to offer. During this excursion, you'll see **Lualhali Park**, where you can take in the charm of the surrounding coastline, **Mt. Tapyas Vista Deck**, and Coron Town's picturesque sunset view. The **Maquinit Hot Springs** and a visit to a souvenir shop built by the locals are the last stops that you can explore.

Experience the **Coron Island Escapade**, which is another trip, as a better way to wrap up your visit. Visit **Malcapuya Island**, a southern beach with a long expanse of white sand and a tall row of coconut palms that offers some sun protection. **Banana Island**, also called Dicalabuan Island, is a different place to visit. The **Bulog Dos Island** comes last; it is a tiny island with a white sandy beach, turquoise waters, and a sandbar that connects it to the Malaroyroy Peninsula and the remainder of Bulalacao.

Back at the hotel and overnight stay at **Two Seasons Coron Island Resort** in a Mountain Bungalow.
