Day **2**

Taman Negara Kuala Lumpur

This morning, enjoy your breakfast and admire the views of the Jungle Railway as the train courses through some of the wildest parts of Malaysia. Alight at Merapoh station for some extraordinary experiences in Taman Negara National Park—formed 130 million years ago, it's one of the oldest tropical rainforests in the world.

The dense jungle, wide rivers and lush mountains are home to wildlife ranging from water buffalo to macaques, tapirs, and hornbills to the Malayan tiger—a true explorer's paradise. From here, choose among a wide variety of excursions: venture into the forest to explore the habitat of the critically endangered Malayan tiger (sightings not expected) and meet local activists striving to safeguard its future. Or, join a nature photographer and conservationist for a wild and wonderful immersion, hearing the chant of gibbons as you learn to focus in on the jungle's beguiling details. Alternatively, discover the otherworldly allure of the magnificent caves of the region, gliding from one to another by e-bicycle. Or, finally, enjoy a sublime wellness experience, including sunrise yoga, forest bathing and sound meditation.

Return to the train in time for lunch, then enjoy the rest of the afternoon on board before dinner.
