The best-preserved Roman City Gerasa, which is called Jerash today, and known also as the city of a 1,000 columns, was known for its entrance to

the golden age under the Roman rule and the site is now generally acknowledged to be one of the best preserved Roman provincial towns in the world. Hidden for centuries in sand before being excavated and restored over the past 70 years, Jerash reveals a fine example of the grand, formal provincial urbanism that is found throughout the Middle East. Back in Amman, and in the early evening, join your fellow travellers for an authentic Welcome Dinner at a local restaurant.

AMMAN

MADABA

NEBO

SHOBAK

PETRA

Enjoy a full buffet breakfast at your hotel. Depart to visit Madaba, located 30 kilometres southwest of the capital Amman. It is best known for its Byzantine and Umayyad mosaics, especially a large Byzantine-era mosaic map of The Holy Land. In Madaba, one of the most spectacular churches in the world, St. George, is where you will find the Mosaic Map of Jerusalem painted on the floor of

the church. Continue to Mt. Nebo, where the burial site of Moses is located. Enjoy a wonderful view from the mountains of the Jordan Valley, the Dead Sea, and Jericho on the other bank of the Jordan River. Continue south to visit Shobak Castle which is perched on top of a small hill northeast of the town of Shobak. Inside the fortress there are two churches, the first of which is to the left of the entrance and up the stairs. There are ruins of baths, cisterns, and rainwater pipes, in addition to millstones for pressing olives, a few archways and other works which have stood the test of time. Drive straight to the hotel in Petra for an overnight stay.

4TH DAY (WED.)

PETRA

Enjoy a full buffet breakfast at your hotel. Enjoy a full day dedicated to visiting the pink city of Petra, the capital of the Nabateans. The long-lost city of Petra, carved entirely by man into the rose-red sandstone rocks, puts your imagination to the test. It's a mystical and glorious place, and an eternal tribute to a lost civilization. Petra was the central meeting point of the Nabatean spice routes which originated

from the Persian Gulf, Western Arabia and the Red Sea. About two thousand years ago Petra became the capital of the Nabataean Empire. The city was so renowned that one of its kings, Aretas IV, is even mentioned in the Bible. The natural richness of the mountainous area combines in a superb way with the refined culture and extensive architecture of the Nabateans, who carved their theatre, temples, tombs, monasteries, houses and roads entirely from the rose-red sandstone rocks. No wonder UNESCO placed Petra on its World Heritage List! Enjoy observing Siq, a deep and narrow gorge, at the end of which suddenly and dramatically appears the most famous monument in Petra: al-Khazneh or the Treasury. But the Treasury is just the start. Walking and climbing in Petra uncovers hundreds of buildings carved in stone and eroded through the centuries into fabulous multi-coloured walls.

WADI RUM**

Enjoy a full buffet breakfast at your hotel. Today we will visit Little Petra, which was inhabited by the Nabateans and contains several tombs, water containers and channels, with a small path that leads to some of the inner area, Siq Al Bared. The scale of this area and the fact that it is the continuation of Petra, gave it the name of Little Petra. Next, depart to Wadi Rum, crossing the Lawrence of Arabia desert. The visit is carried out in 4x4 vehicles

driven by Bedouins; it consists of a small incursion into the lunar landscape of this desert. Observe the wonders that nature has created with rocks and sand; Wadi Rum village, Lawrence spring, Alamele inscriptions, 7 pillars, sand dunes. Tonight, we will have accommodation in superior Bedouin tents with private bathrooms and air conditioning, in a desert camp.
