ACCOMMODATION

Hotel de Normandie

Bordeaux

The Hotel de Normandie is located in the heart of the 18th-century centre of Bordeaux, listed as a World Heritage Site by UNESCO. The Garonne riverfront, the Grand Théâtre opera house and the city's other main monuments are only a short walk away. The CIVB (Bordeaux Wine Trade Council), situated opposite the hotel, will allow you to discover the Bordeaux wine country. The windows of the hotel de Normandie offer a view of Bordeaux's famous Esplanade des Quinconces, a short distance from the Grand Théâtre and the Place Tourny square.

Les Feuilles D'Acanthe Hotel

Saint-Macaire

Les Feuilles D'Acanthe is located in the very heart of the medieval city of Saint Macaire. It is housed within the walls of a magnificent merchant's house dating from the 16th century, which has been completely renovated to provide a perfect combination of the beauty of the local heritage with the latest modern facilities. The interior of the hotel such as the carreaux de Gironde (tiling typical of the region), the bare stone walls, oak furniture and crossed mullion windows will make you feel as if you have stepped back in time to the Middle Ages. The guest rooms offer every comfort plus fabulous views over the old town of Saint Macaire, making your stay an unforgettable experience. The centrepiece of the sunny internal courtyard is a covered swimming pool and Jacuzzi, where guests can relax, alone or as a family, before going on to enjoy the creative gourmet menus that are prepared by the chef from the finest produce of the region.

Hostellerie des Ducs

Duras

The Hostellerie des Ducs is a 19th century convent, which inspired the Blanchet family to share their passion for this amazing region. The restaurant prides itself on blending subtle flavours, that if the Dukes of Duras were to return, they would certainly book the best table in the restaurant. They would also marvel at the welcoming, calm bedrooms, the magnificent floral garden and the swimming pool, before coming inside for a game of billiards.

Auberge De La Commanderie

Saint Emilion

The Auberge de la Commanderie is one of the historic sites located at the heart of the medieval town. The main part of the building was of templar origin and the annex was used as a last hiding place by the counter revolutionary Girondin deputies. Both buildings are unique of old Saint-Emilion and were renovated in 2003 with modern amenities.
