## ITINERARY

Day 1	Vancouver	Campbell River
-------	-----------	----------------

Depart Vancouver for Horseshoe Bay and sail on BC Ferries to Vancouver Island. Upon departing BC Ferries head north through Vancouver Island's second largest city, Nanaimo, known as the Harbour City, and Parksville, the beginning of Beach Country and home of the annual International Sandcastle Competition. Your destination today is the city of Campbell River, historically renowned as the "Salmon Capital of the World," lying at the heart of neighbouring Strathcona Park, Desolation Sound, Mount Washington and Robson Bight. Surrounded by the backdrop of Strathcona Provincial Park to the west and the Coastal Mountain range to the east, massive cruise ships pass right by Campbell River's doorstep, and their parade of lights is best viewed from world-famous Discovery Pier as they venture up the Inside Passage for Alaskan destinations.

Day **2**

## Campbell River Knight Inlet Lodge

This morning, enjoy a scenic floatplane flight to Knight Inlet, a remote fjord and natural habitat of the grizzly bear. After a safety briefing and morning tea, join your guide in search of the many bears that frequent the area. During the spring and summer season viewing is done from small boats that allow you to get close without disturbing the bears. During the fall season, viewing takes place from secure platforms overlooking the Glendale River, where grizzlies gather to feast on salmon. From your elevated vantage point, observe these majestic animals fishing, socializing, and preparing for winter.

There is more time for bear viewing after lunch, plus a cruise that takes in the natural wonders of Knight Inlet – tremendous waterfalls plummeting out of sheer rock faces, ancient glaciers with trails carving through the mountains and wild and remote rivers teeming with life.
