ITINERARY

Day 1

Whitehorse Southern Lakes Resort

Depart Whitehorse by floatplane or shuttle (floatplane in autumn and shuttle in winter; the floatplane flight is approximately 20 minutes, and the shuttle transfer is approximately 1 hour and 40 minutes). Arrive at the resort and check into your private log-built cabin, nestled near the lakeside.

Although part of the compound, the cabins are set far enough from the main building and other guest buildings to create a true sense of privacy. Enjoy a delicious dinner prepared with Yukon flair in the main building. In the evening, look to the sky for the incredible Northern Lights as cascading emerald greens mix with vibrant pinks and blues in a dazzling display.

In the evening, watch for the Northern Lights, the most spectacular natural fireworks in the world.
