## Darwin Litchfield and Kakadu National Park

As one adventure ends, another begins with Outback Spirit. This morning, depart Darwin and head towards Batchelor, the

gateway to Litchfield National Park. Containing several types of typical Top End habitats, Litchfield National Park is abundant with lush monsoon forests, termite mounds, unusual rock formations, waterfalls, and cascades. After stopping for morning tea, the next stop is Florence Falls. Here you can watch from the scenic viewing platform as the spectacular falls cascade into the plunge pool below. Next, move onto Wangi Falls; a large plunge pool surrounded by shady grassed areas. The falls flow all year round and you can take a dip in the crystal-clear pool. After a light lunch, cross the Adelaide River and continuing east, enter the World Heritage-listed Kakadu National Park before arriving at your accommodation for the next two nights, the Mercure Kakadu Crocodile Hotel at Jabiru, so named for the crocodile shape it takes.

*Note: Swimming at Wangi Falls is subject to National Park No Croc Safety Clearance.*

Day **5**

## Kakadu National Park

An early start today - head to Jabiru Airstrip, where you'll gain another perspective on this incredible environment. Take to the skies on a 60-minute scenic flight over ancient escarpments, floodplains and winding rivers, exhibiting the results of 1.8 billion years of continuous erosion. Your flight includes live commentary from your pilot as you glide over these spectacular ancient lands.

After landing at Jabiru Airport, depart for the East Alligator River region, known as the gateway to Arnhem Land. Take a spectacular local indigenous cruise on the East Alligator River and listen to the stories of the region as you spot the large saltwater crocodiles that dwell in these waters.

After a peaceful cruise, it's time to reboard the coach and head to the World Heritage Ubirr art site, home to some of the world's most outstanding rock art. Enjoy a 1-kilometre circular track walk and take in the amazing rock art. There will be time for those feeling fit to make the steep 250m climb to the top of the rocky escarpment for magnificent views across the Magela floodplain.

Enjoy lunch before heading to Burrungkuy (Nourlangie) Art Site where you can take in ancient rock paintings and spectacular vistas whilst enjoying the 1.5 kilometre walk around this incredible indigenous site. Then it's time to head back to the hotel to relax and enjoy dinner.

*\*Due to the seasonal weather experienced in the Top End during March and April you will experience Nourlangie after your scenic flight instead of Ubirr, and the cruise will occur on Yellow Waters*

On arrival at Mary River, you will take to the water on a cruise that showcases the local wildlife, including saltwater crocodiles and the abundance of birdlife in the region.

From here, travel through the productive region of Humpty Doo, where an array of tropical fruits are grown before heading to Darwin, arriving early evening, where your three-day Simply Kakadu Tour comes to an end.

*\*Due to the seasonal weather experienced in the Top End during March and April you will enjoy the famous 'Jumping Croc Cruise' in place of the Mary River cruise.*
