HOUSES AT TBILISI, GEORGIA

Tbilisi Gori Uplistsikhe Cave City Mtskheta

Gori is one of the oldest cities in Georgia, founded in the 7th century AD as Tontio. Visit the Stalin museum or guests can choose to visit a local Ceramics Museum, housing the pottery of traditional Georgian ceramicist George Tatulashvili.

The famous cave city of Uplistsikhe dates from the 6th century BC and is first mentioned in the chronicles of the 1st century AD. Like the other cave-towns of Georgia, it is rooted in the prehistoric traditions of the peoples of the Near East. There were numerous attempts to destroy Uplistsikhe. Only in the 13th century, however, did the hordes of Genghis Khan's son Khulagu succeed in doing so, after capturing and destroying many fortresses in Transcaucasia with the help of siege machines.

Late afternoon, explorations will take you to the city of Mtskheta, Georgia's Old Capital. Due to its historical significance and numerous ancient monuments, Mtskheta became a UNESCO World Heritage Site in 1994. During today you will also enjoy a private performance of traditional Georgian polyphonic singing – this is an immersive experience which offers a truly unique insight into the beautiful local culture and heritage.

CITY OF BAKU

Day 7

Baku, Azerbaijan

Baku, capital of Azerbaijan, lies on the western shore of the Caspian Sea and the southern side of the Apsheron Peninsula, around the wide, curving sweep of the Bay of Baku. The core of present-day Baku is the Old Town, or fortress of Icheri-Shekher. Most of the walls, strengthened after the Russian conquest in 1806, survive, as does the 90 ft (27 m) tower of Kyz-

Kalasy (Maiden Tower, 12th century).

The walled old town is highly picturesque, with its maze of narrow alleys and ancient buildings. These include the Palace of the Shirvan-Shahs, now a museum, the oldest part of which dates from the 11th century. Also of the 11th century is the Synyk-Kala Minaret and Mosque (1078-79). Tour these historic sights by bus before exploring the Old Town by foot.

After lunch in a local restaurant, enjoy an afternoon of free time to discover Baku independently. Perhaps visit the local Carpet Museum, indulge in a cultural escape at the National Museum, or simply relax and soak up Azerbaijan's unique atmosphere.

Tonight, you will visit the magnificent Villa Petrolea. Nearly 150 years ago, before the Nobel Peace Prizes were created, the Nobel brothers themselves played a key role in Baku's first 'oil boom'. The mansion that they built as their residence in the early 1880s has been preserved, restored, and turned into a fascinating museum. It is here you will be privileged to have a guided tour and treated to champagne, canapes, and a sumptuous dinner within its historic walls.

Breakfast, Lunch, Dinner

Day 8

Baku, Azerbaijan

This morning, tour the UNESCO-honoured Gobustan Rock Art Cultural Landscape. Located 40 miles (64 km) from Baku on the west bank of the Caspian Sea, Gobustan is an outstanding archaeological site of more than 6,000 pre-historic rock engravings. The area also features the remains of inhabited caves, settlements and burials. This is followed by lunch overlooking the Caspian Sea.

Returning to the city in the afternoon, you can choose to enjoy free time in the city or visit a local Zoroastrian temple before dinner in the Four Seasons Hotel.

Guests will leave the train and make a short journey to Darvaza's famous burning gas crater, a spectacular sight best seen at night. Day **11**

Khiva

The train travels towards Urgench, from where you transfer to the ancient city of Khiva, founded 2,500 years ago. As one of the Silk Road's most important trading posts and now a World Heritage Site, it lies at the crossroads of the historic routes between Mongolia, Russia, China and Perlransia. A truly magnificent sight to behold, it rises out of the desert to reveal a wealth of impressive architecture. Stepping back in time, discover its impressive mosques, bazaars and minarets within Khiva's ancient walls.

Breakfast, Lunch, Dinner

ANCIENT CITY OF KHIVA

ay **12**

Bukhara

Bukhara is quite simply outstanding. Like Khiva, UNESCO sponsored the renovation of much of the city for its 2,500th anniversary in 1999. The most enjoyable aspect of this city is to just immerse oneself in the atmosphere of this unique and ancient city and re-live some of its fascinating history at the crossroads of Asia. The main highlight of this wonderful tour is a visit to The Ark, a fortified residence of the Emirs of Bukhara – the despotic and ruthless leaders who ruled until Soviet times.

Immerse yourself in the lively pulse of the city as you will explore the bustling Trading Domes of Bukhara and gather at Lyabi-Hauz Square, a vibrant social hub cocooned by a pool and embraced by the soothing shade of mulberry trees and local tea rooms.

This evening, weather permitting, you will enjoy a barbecue on the station platform before the train departs – a unique farewell to an incredible city.

Breakfast, Lunch, Dinner

Day 13 Samarkand, Uzbekistan

Just the mention of Samarkand instantly conjures up evocative images of the Silk Road, more so than any other town. Founded in the 6th century BC, Samarkand's stunning architecture hints at its former status as one of the most important cities in Asia and is particularly noted for its architectural remains from the 14th to the 17th century, when it flourished as the fabled capital of the Mongol empire of Timur and his successors.

Today, visit some of its most significant sites including Registan Square, the refined elegance of the beautifully proportioned Bibi Khanum Mosque and the Ulugh Beg observatory, one of the earliest Islamic astronomical observatories built in 1428.

Prepare for an unforgettable evening in Samarkand that will leave an indelible mark on your memory. As the sun sets and night descends upon this ancient city, guests will be whisked away to the illuminated Registan Square, where an extraordinary spectacle unfolds. From your prime front-row seats, you'll be treated to a dazzling light show that weaves the rich tapestry of Samarkand's history and significance.
