Vienna

A beautiful city to explore at any time of the year, but wintertime in Vienna is an extra special experience. Exquisitely illuminated with hanging lights of the Christmas markets, Vienna's squares are brimming with culinary treats, handmade gifts, and quaint ornaments.

This morning you will visit the Museum of Fine Arts which is the largest art museum in Austria and located right in the heart of the city. Opened to the public in 1891, the main part of the museum's collection is made up of artworks acquired by the Habsburg dynasty. Visitors will also enjoy a trip to the Christmas market situated on Maria-Theresien Platz.

Hofburg Palace has been the heart of power in Vienna since 1279, so naturally it is rich with history that can't be experienced anywhere else. Once the Habsburg's winter residence, this massive palace complex now serves as the workplace and home of the President of Austria. During your visit you'll meet a choir who will provide a short concert of traditional Viennese Christmas folk songs.

After lunch you will continue to the Schönbrunn Palace, with a tour included. The palace also provides the perfect backdrop for the Christmas Market and is perhaps the most classically stylish of all the Vienna markets. The exclusive assortment of booths includes traditional handicrafts, pretty Christmas decorations and toys. Sweet, spicy, and hearty temptations are waiting on every corner and enchant the huge square in front of the palace with enticing aromas.

Day **5**

Salzburg

Like a picture from the pages of a fairy-tale, Salzburg perfectly captures the charming cosiness of the festive season. The city sits snugly in the northern foothills of the Alps, set against a backdrop of snow-capped peaks, cut in half by the curves of the Salzach River. The Christmas markets, Advent concerts and local traditions continue to charm visitors in the magical city of Mozart.

This afternoon, explore the heart of the city, starting at Mirabell Palace. Listed as a UNESCO World Heritage Site, the baroque 17th century palace is easily one of the most stunning landmarks in the city and made famous in more modern times as a location used in *The Sound of Music*.

A short distance from the palace on Market Square (Marketplatz) you will see the former Mozart Residence, now a museum. From here, cross the Makartsteg bridge into the Old Town and walk along the Getreidegasse, Salzburg's most famous street which is renowned for its wrought-iron trade signs and the birthplace of Mozart.

The rest of your time in Salzburg will be spent at the Salzburger Christkindlmarkt, one of the most beautiful and oldest Christmas markets in the world, which is held on Domplatz and Residenzplatz. Its unique location in the middle of the World Heritage Old Town of Salzburg, the traditional stalls and its long history make the Salzburg Christmas market something very special. The Christkindlmarkt offers incomparable holiday ambiance – bells ring out from onion-domed churches, the scent of fresh pine mingles with the aroma of cinnamon-sprinkled mulled wine in the crisp winter air, and cheerful groups huddle around festive market stalls.
