Day **3**

Bilbao   Getaria   San Sebastian

After picking up your rental car, embark on a scenic drive to **Getaria**, nestled in the Txacoli wine region.

Getaria, in particular, boasts a rich history predating the production of Txacoli wine. It is the birthplace of Juan Sebastian Elcano, a lesser-known figure but a remarkable explorer who, in the early 16th century, achieved the unprecedented feat of circumnavigating the globe. Furthermore, Getaria earned recognition as one of the recommended destinations in the New York Times' list of 46 places to visit in 2013. This accolade was partially due to its association with another illustrious local resident, the renowned fashion icon *Cristobal Balenciaga*. Fashion enthusiasts can delve into his legacy by exploring the museum dedicated to his groundbreaking work.

However, the true highlight of a visit to Getaria lies in savouring the **exquisite cuisine offered by the local restaurants**. Indulge in delectable grilled fish, sourced fresh from the harbor's fleet of fishing boats (lunch is not included).

Along the scenic coastal route towards San Sebastian, you will also have the chance to stop and appreciate other picturesque spots.

## San Sebastian

Embark on a **half-day private guided tour of San Sebastián**, a city intimately linked to its breathtaking landscape, where the sea, mountains, and a glorious bay tell the tale of Donostia. Led by a local expert, delve into the city's rich history, discover the creative minds that shaped it, explore the Old Town's historical sites, stroll along the iconic Playa de la Concha, and marvel at Eduardo Chillida's awe-inspiring "Comb of the Wind" sculptures.

The astounding city of San Sebastián offers a splendid combination of breathtaking landscapes, rich historical heritage, ground-breaking architectural wonders (such as the Kursaal Congress and Auditorium Center designed by the esteemed recipient of the Pritzker Prize, Rafael Moneo), an unparalleled gastronomic experience that tantalizes the senses.

To all residents of San Sebastian, the term "**pintxos**" evokes visions of delectable delicacies, ranging from simple bites to highly intricate creations of haute cuisine. Such is the passion of San Sebastian's residents for their gastronomy and pintxos that the city organizes an annual competition, wherein bars strive to craft the most delicious and innovative pintxos. Victorious establishments proudly display their plaques outside their doors, with some earning widespread acclaim for a particular dish.

Day **5**

## San Sebastian Biarritz & Saint-Jean-de-Luz San Sebastian

After breakfast, your guide and driver will meet you at your hotel in order to explore the remarkable Basque coastline.

**Biarritz**, also referred to as the "king of beaches and the beach of kings," gained popularity as a result of Eugenie de Montijo and Napoleon III making it their preferred vacation spot. The beaches are a remarkable blend of diverse architectural styles, where tranquil families coexist with vibrant surfers.

**Saint-Jean-de-Luz** is deeply rooted in fishing traditions. The town also boasts impressive architectural structures, such as the Maison Louis XIV and the Maison de l'Infante, serving as reminders of the Sun King's time in the town when he married Maria-Theresa, the Spanish Infanta, in 1660. You can stop for lunch (not included) in a delightful farmer's market, brimming with Basque gastronomic delicacies and imbued with a lively atmosphere (takes place every Tuesday and Friday) or in one of the local restaurants.

Additionally, we recommend making a stop in **Hondarribia**. The town's center is anchored by two historically significant neighborhoods: the old town, which features a labyrinth of cobblestone lanes winding past medieval stone palaces and traditional Basque wood-beamed houses, and the fishermen's village known as the Marina. Along San Pedro Kalea, a tree-lined street, elderly men gather on benches next to vibrant pintxo bars, adding to the lively ambiance.

Take a half-day excursion to Vitoria Gasteiz - Blend of Contemporary and Medieval Architecture.

**Vitoria Gasteiz** is renowned for its sophisticated and elegant atmosphere, with great attention paid to its historic district. This unique area stands out in Spain due to its combination of contemporary architecture and historical landmarks. A prominent feature of the city's cosmopolitan lifestyle is the prestigious Cathedral of Santa María, which is currently undergoing restoration and is open to the public.

The ongoing restoration of the Cathedral has revealed fascinating stonework that tells a captivating story. By visiting this 13th-century church-fortress, participants will have the opportunity to witness the refurbishment process. This exclusive tour allows for close observation of the scaffolding and requires wearing protective gear, granting access to areas that are usually off-limits. Additionally, there is an extraordinary archaeological exhibit located beneath the cathedral, providing valuable insights into the origins of the city.

During the visit to Vitoria, which was named the European Green Capital in 2012, we recommend three additional stops. These include the BIBAT, Fournier Naipes, and Archaeology Museums. The Fournier Naipes Museum, housed within the Renaissance Bendaña Palace, boasts the world's most extensive collection of playing cards. The Archaeology Museum, designed by acclaimed architect Francisco Mangado, proudly displays 1,500 original artifacts from Álava, spanning from prehistoric times to the Middle Ages.

This comprehensive excursion offers a captivating blend of architecture, contemporary projects, and the opportunity for imaginative exploration. The experience includes a private guided tour led by a specialist, architect, or knowledgeable guide.
