## Kuala Lumpur Langkawi

After breakfast in your cabin, soak up the vistas as the train courses past the rice paddies and timeless rural villages of western Malaysia. Following lunch, there is a choice of enticing excursions. Alight at Arau Station for a car transfer to the jetty followed by a speed boat cruise to one of Langkawi's most beautiful beaches. Enjoy easy relaxation in idyllic seclusion, reconnecting with nature and sampling wellness activities. Unwind with yoga, a sound bath and a massage, take a dip in the ocean or the nearby swimming pool, and enjoy tropical fruit, skewered delicacies and healthy drinks. Your glimpse of paradise continues with a boat ride through the narrow channels of Kilim Geoforest Park, where mangrove forests meet coastal karst in an otherworldly natural landscape.

Alternatively, opt for an adventurous discovery of Perlis Geopark, recently recognised as Malaysia's 10th National Geopark for its remarkable geology and biodiversity. Embark on a cycle ride through breathtaking landscapes teeming with primates and birds, before entering an atmospheric former tin mine and unearthing its fascinating history. Or choose the final option for an immersion in the rich art and culture of Perlis. Learn to make your own batik, visit the personal collection of an antique enthusiast and prepare your own afternoon tea in a traditional Malaysian coffee shop. Returning to the train, an evening of lively celebrations with local entertainers awaits in the Piano Bar Car, accompanied by a delicious dinner.

Day **3**

## West-Coast Line Butterworth

For the last day of the year, visit Penang Island, Malaysia's cultural melting pot. Here, a choice of excursions helps you make the most of the capital, Georgetown.

- The first is a discovery of the culinary art of Peranakan cooking, where you will visit a spice shop and traditional grocery stores to purchase herbs and vegetables, before trying your hand at making some enticing local dishes.
- The second suits those with a passion for culture and art, taking you to Georgetown Old Quarter to see stunning temples, a contemporary studio and an opera and puppet house.
- Lastly, you can choose to explore the city independently: with a map, a tri-shaw and a driver, navigate Georgetown's picturesque streets at your own pace. Your driver will take you anywhere you want to go, from grand attractions to hidden corners. Rejoin the train at Butterworth for lunch and a leisurely afternoon on board, conserving your energy for the night of revelry ahead.

Ring in the New Year on board with irresistible cuisine, entertainment and company. As midnight approaches, raise a toast to friends old and new and adventures to come. Kuala Lumpur's Petronas Twin Towers serve as the background to the city's electrifying fireworks display. As the train travels past Kuala Lumpur shortly after midnight, you may still catch sight of the glorious illuminations in the sky.
