Day **2**

Rome

Today a must-see for every traveller who visits Rome: **the Colosseum, the symbol of Rome!**

You can now take advantage of our exclusive prime service and enjoy this day in the most relaxing way. Wake up in the morning at your centrally located hotel and after breakfast wear a pair of comfortable shoes and wait for our driver to come and pick you up: you'll reach the archaeological area to join your group.

Once inside, breath the bloody past of the Amphitheatre and its atmosphere led by passionate and expert guides. This huge travertine and tuff structure could hold between 50,000 and 80,000 spectators, all hungering for pretty gory shows such as hunting games or gladiatorial fights.

The tour includes also a **guided walk in the Roman Forum**, the cultural and political center of Ancient Rome, as well as a **stroll around the Palatine Hill**, the area where the city of Rome was legendary founded by Romulus and where the emperors used to live for centuries.

The remainder of the day is at your disposal to discover Rome on your own, otherwise, you can add in an optional Pizza-Baking Class in Trastevere!

Day **3**

Rome

After a rich breakfast, you will meet your driver who will take you to the meeting point with your local foodie guide. You will enjoy a lovely walking tour through **local food markets**, grocery stores and gelato shops in the areas of **Campo De' Fiori, Trastevere, and the Jewish Ghetto**.

We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "*Pizza Bianca*" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "*mortadella*": a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a "*Suppli*"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favourite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: "*Carciofo alla Giudia*", a deep-fried artichoke that looks like a tiny sunflower, as well as "*Filetto di Baccalà*", a battered and deep-fried fleshy cod fillet. Save some space for dessert, because we won't skip our portion of artisan "Gelato"!

At the end of this experience, meet your driver to head to Vatican area, ready to join your group. Meet your professional guide and take a tour of the **Vatican Museums, Sistine Chapel and St. Peter's Basilica!** Admire the **Gallery of Tapestries**, the **Geographical Maps** and the **beautiful Raphael's rooms** before arriving at the **Sistine Chapel**, Michelangelo's masterpiece! After the Sistine Chapel you will be taken, to **St. Peter's Basilica**. At the end of the tour, time

Join our family-friendly class of **no more than 12 people** at Lo Studio (Vicolo della Scalaccia). We'll meet there for this hands-on activity. You'll learn what ingredients are needed to make the **perfect pizza** dough, how to knead it and how to top it properly. And you'll do it yourself, choosing your own ingredients: you'll be free to experiment with various recipes and toppings. Bake the pizza in the oven and wait for it to turn into a thin-and-crispy-but-still-fluffy delicacy.

While the pizza is in the oven, enjoy your well-earned rest! Relax and immerse yourself in the unique experience of an Italian pizza dinner. Start with a tasty bruschetta and make a toast to the good life: water, wine or a soft drink is included. Day 4: Private Tour of Tivoli and its Villas

Visit **Tivoli** and **its Villas** on a private tour. You will meet your Driver to head to Tivoli, a small town located few kilometers away from Rome, in a splendid natural environment between the Eternal city and the high hills to the east of Rome. It's a world-renowned town for hosting two UNESCO World Heritage Sites. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years.

The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor.

In the 16th century, much of the remaining marble and statues were removed from **Hadrian's Villa** by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: Villa d'Este, another UNESCO world heritage site.

Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps.

Includes:

- Private car and English speaking guide at disposal for 6 hours
- Villa D'Este , Villa Adrlana Entrance Tickets

Enjoy a comfortable transfer from Rome to Sorrento, taking in stunning views of the Italian countryside and the Amalfi Coast. Upon arrival, explore Sorrento's charming streets and enjoy a limoncello tasting at a local producer.

Next, visit Pompeii, a UNESCO World Heritage Site. With a professional archaeologist guide, walk through the ancient city, exploring preserved homes, shops, and temples. Learn about the eruption of Mount Vesuvius and the incredible archaeological discoveries that bring this ancient world to life.
