Lake Issyk-kul & Bishkek, Kyrgyzstan

Today, enjoy an extended visit to the magnificent Lake Issyk-Kul, a true natural wonder nestled in the heart of the Kyrgyz mountains. Stretching over 170 kilometres in length and up to 70 kilometres wide, it is recognised as the second-largest alpine lake in the world. Its name, meaning “warm lake”, reflects its remarkable resistance to freezing – the result of a unique combination of depth, mineral richness, and geothermal activity beneath its surface. Framed by towering, snow-capped peaks, the lake offers a serene beauty.

This morning, you're invited to immerse yourself in the rich nomadic heritage of Kyrgyzstan with a privately arranged cultural event along the lake's shores. A captivating display of traditional sports and games that have been passed down through generations. While archery may be familiar, few have encountered the spectacle of horseback wrestling, hunting with majestic Golden Eagles, or “ordo” – a strategic game played with cow kneecaps.

This experience is a celebration of steppe culture in all its vibrant detail – from music and dance to intricate costumes and demonstrations of time-honoured crafts. It is a rare and enthralling glimpse into a way of life that continues to flourish in the highlands of Central Asia. This day promises a unique and authentic insight into the cultural heart of the region, offering memories that will linger long after your journey ends.

After the festival there will be the option to visit the outdoor Museum of the Petroglyphs before returning to the Golden Eagle for dinner.

Bukhara, Uzbekistan

Bukhara is quite simply outstanding. Like Khiva, UNESCO sponsored the renovation of much of the city for its 2,500th anniversary in 1999. The highlight of this wonderful tour is a visit to The Ark, a fortified residence of the Emirs of Bukhara – the despotic and ruthless leaders who ruled until Soviet times. Today's touring programme will also transport guests to the grandeur of Poi-Kalyan Square, home to the iconic Kalyan Mosque, a living relic of traditional Islamic design. Stroll through the mosque's large pillar-domed galleries and deeply recessed niches, and you will be transported to a bygone era.

Immerse yourself in the lively pulse of the city as guests explore the bustling Trading Domes of Bukhara and gather at Lyabi-Hauz Square, a vibrant social hub cocooned by a pool and embraced by the soothing shade of mulberry trees and local tea rooms. Guests will then travel out of the city to experience the Emir's enchantingly named 'Palace of the Moon and Stars'.

This evening, weather permitting, guests will enjoy a barbecue on the station platform before the train departs.

STATUE OF ISMAIL SOMONI IN DASHUNABE

Believed to be the birthplace of Amir Timur, the military prodigy who modelled himself on Genghis Khan, today you will visit the UNESCO-honoured statue of Amir Timur and his Ak-Saray Palace. This majestic palace in Shahrizabz took over a quarter of a century to build, and was originally decorated with colourful, highly detailed mosaic but also included delicate calligraphic inscriptions from the Qur'an. Amid the decorative facing, there is an inscription showing the date 798 (1395 – 1396 AD) which was when the building was completed.

Late afternoon arrival in Samarkand marks the farewell to the Golden Eagle train. After disembarkation, a visit is made to the Gur-e Amir, the opulent azure-domed mausoleum housing the tomb of Timur. Check-in follows at a five-star hotel in Samarkand, with further exploration of this magnificent city continuing over the next couple of days.

Dinner this evening is a dine-around at the hotel.

Day 12 Samarkand, Uzbekistan

Just the mention of Samarkand instantly evokes vivid images of the Silk Road, more so than any other town. Founded in the 6th century BC, the city's stunning architecture hints at its former status as one of the most important in Asia, particularly noted for architectural remnants from the 14th to the 17th century, when it flourished as the capital of the Mongol empire under Timur and his successors.
