Experience the best of Churchill and the Arctic wilderness on this immersive polar bear adventure. Beginning in Winnipeg, journey north to Churchill where you'll discover the rich culture, history and charm of this remote northern town. Enjoy guided touring, visit significant local landmarks and museums, and experience authentic northern traditions including dog sledding and cultural presentations from local Indigenous residents.

The adventure continues as you venture deep into the Churchill Wildlife Management Area, where you'll stay at the remote Tundra Buggy Lodge, set directly in prime polar bear territory. Here, you'll spend full days exploring the tundra aboard specialised Tundra Buggies, maximising time for wildlife viewing without the need to return to town each day.

From the comfort of the lodge, polar bear encounters can happen at any moment, whether during dinner or right outside your window. Combining cultural discovery with unrivalled wildlife access, this journey offers one of the most complete and immersive polar bear experiences in Canada.
